

No.F-3(1-98)-FWPM/FW/2006/340(V-II)
Government of Tripura
Health & Family Welfare Department

18-4-2006

NOTIFICATION

In partial modification of this Department Notification No.F.3(1-34)-FWPM/FW/2001 dated 20th April, 2005 the State Level Quality Assurance Committee is formed with the following officials to ensure that the Standards for Female and Male Sterilization as laid down by the Govt. of India are followed in respect of pre-operative measures (for example by way of pathological tests, health of the patient etc.), operational facilities (for example, sufficient number of necessary equipment and aseptic condition and post operative follow ups.)

It shall be duty of the Quality Assurance Committee to collect and publish six monthly reports of the number of persons sterilized as well as the number of deaths or complications arising out of the sterilization.

The Committee should meet at least once in six months.

Professor & HOD, Department of Obst & Gynae, Agartala Govt. Medical College	Chairman
Professor & HOD, Department of Anaesthesiology, Agartala Govt. Medical College	Member
Medical Superintendent, G.B.P. Hospital, Agartala	Member
