Minutes of Review Meeting of Health Sector held on 11th July 2013 at 4:30 PM at Conference Hall-I, Civil Secretariat, Agartala under the Chairmanship of Hon’ble Chief Minister, Government of Tripura

List of Participants enclosed at Annexure-A.

At the outset Additional Chief Secretary, H&FW, Government of Tripura welcomed all participants in the meeting which was followed by PowerPoint Presentation. Mission Director, NRHM, Government of Tripura highlighted the overall status with issues of Health sector.

Based upon the existing scenario of Health sector, following key decisions have been taken for implementation are as follows:-

1. The 12th plan target of IMR should be revised to 20 and MMR target to 125 and action plan should be drawn up to achieve the target.  
   (Action: DFWPM)

2. ASHAs should be trained and motivated for better Antenatal care and visit Post Natal care to achieve the target of IMR and MMR. 
   (Action: MD, NRHM)

3. Average birth rate should be brought down.  
   (Action: MD, NRHM & DFWPM)

4. Special campaign should be taken up against Female Foeticide in order to improve sex ratio and strict monitoring should be taken up to check the irregular activities for sex determination and female foeticide.  
   (Action: DFWPM)

5. Awareness campaign on female foeticide should be launched under NRHM.  
   (Action: MD, NRHM & DFWPM)

6. All the 1008 Health Sub Center (HSC) should be made operational by the end of March 2014.  
   (Action: Director, FW&PM)

7. All the remaining health sub center under construction should be completed and 14 sub centers for which work orders were not issued should be taken up immediately to start construction work within 1 month. MD, NRHM should pursue.  
   (Action: MD, NRHM)

8. The available staffs to be posted in health sub centers, so at least one ANM or MPW can be placed in each health sub center. Action should be taken immediately.  
   (Action: Director, FW&PM)

9. In order to cope up with shortage of MPW and ANM, GNM the matter may be assessed by the Additional Chief Secretary and a report may be submitted for remedial action.  
   (Action: DFWPM)

10. Regarding Primary Health Centre, it is indicated that the work of 83 centres have already been completed while 23 centres are under construction. It is also stated that there is a requirement of another 22 centres to be opened during the 12th plan. It was decided in the meeting that the centres should be taken up at the rate of 4 to 5 centres per year so as to complete all centres during 12th plan. Addl. Chief Secretary will prepare a report and requirement of fund within one week and submit the same to the planning Coordination Deptt.  
   (Action: DFWPM)

11. It was decided that the existing PHCs/CHCs at Karbook, Panisagar, Jirania, Mohanpur and Kumarghat will be up-graded as Sub-Divisional Hospitals. Report along with a road map should be prepared and submitted within two months.  
   (Action: DHS & DFWPM)
12. The existing PHCs should be strengthened in all respects as per requirement.  
   \textit{(Action: DFWM)}

13. Medical officers should not be posted out from CHCs & PHCs to Sub-Divisional & District Hospital without posting adequately substitute to manned them. 
   \textit{(Action: DHS)}

14. Health Department should ensure periodical transfer of Medical Officers between rural areas and urban areas every 2 to 3 years.  
   \textit{(Action: DHS)}

15. Additional Chief Secretary should work out about setting up of Blood Banks in Sepahijala, Khowai and South Districts and send a report with action plan within one week. 
   \textit{(Action: DHS)}

16. There are some PHCs particularly in remote areas without Ambulance. Addl. Chief Secretary may work out the shortage of Ambulances in the PHCs and arrange for getting fund to purchase vehicles from BEUP and engage drivers on outsourcing in one week. 
   \textit{(Action: MD NRHM & DFWM)}

17. Distribution of Iron and Folic Acid Tablets should be taken up through all the AW Centres in a big way. 
   \textit{(Action: MD NRHM & DFWM)}

18. ASHA under NRHM should visit AW Centre once in every week and every mother should be given 3 (three) Iron and Folic Acid (IFA) tablets per week which can be reviewed after three months for increasing dose. 
   \textit{(Action: MD NRHM)}

19. VHND should be held every month. MD, NRHM should draw up action plan and monitor regularly. 
   \textit{(Action: MD NRHM)}

20. \textbf{Immunization}: It is reported that 84\% immunization has been achieved. NRHM should ensure greater immunization all and target to achieve 90\% during this year. 
   \textit{(Action: MD NRHM)}

21. \textbf{Diet}: Health Department may monitor quality of diet. Provision of diet at public health facilities need to be quantified as per daily nutritional requirement and on the basis of average case load so that standard cost can be arrived and assess resource utilization. Proposal on the same is to be submitted by 30 days. 
   \textit{(Action: DHS)}

22. Sweeping and cleaning three times a day must be ensured by the Superintendent of hospitals and works may be outsources. 
   \textit{(Action: DHS)}

23. Meeting of medical superintendents of the hospitals should be convened by the Addl. Chief Secretary within 10 days and that may be followed by meeting with the Hon'ble health minister on the same day. 
   \textit{(Action: DHS)}

24. One medicine shop should be run by cooperative Deptt. With generic medicine largely in G.B. Hospital. This should be done in one month. 
   \textit{(Action: DHS)}

25. The referral of patients by the GB Hospital to different hospitals should be discouraged and list of referral hospitals be pruned by one half. Referral hospital should be empanelled at CGHS rates only. Additional Chief Secretary to submit a report in 15 days. 
   \textit{(Action: DHS)}

Meeting ended with thanks to the Chair.
