

20<sup>th</sup> March 2013

## **MEMORANDUM**

**Subject:- 48 hrs of stay post delivery for availing drop back under JSSK-reg.**

Janani Shishu Suraksha Karyakram (JSSK), a national initiative to eliminate out-of-pocket expenses for pregnant women, sick neonate and infant has been launched by Government of India. Under this scheme. Pregnant women are entitled for absolutely free drugs and consumables, free diagnostics, free blood wherever required and free diet up to 3 days for normal delivery and 7 days for C- section. This initiative also provides for free transport from home to institution, between facilities in case of a referral and drop back home. Similar entitlements have been put in place for all sick newborns and infants accessing public health institutions. Copy of the Office Memorandum of the Ministry of Health & Family Welfare, Government of India vide **M.12015/90/2011-MCH** dated **26<sup>th</sup> February 2013** in this respect is enclosed herewith for ready reference.

2. It order to ensure that post-natal mothers and neonates remain under the institutional care at-least 48 hours to avoid post-partum haemorrhage (PPH) and neo-natal mortality, it is pertinent that adequate steps are being taken up to strengthen public health facilities to act as optimal delivery points, services of which has been specified vide Memo **No.F.3(5-302)-FWPM/SHFWS/2011** dated **15<sup>th</sup> November 2012**. The said memo is accessible at the link <http://tripuranrhm.gov.in/Download/MNHGuideline.pdf>.

3. Further, it has been made mandatory that drop back under JSSK should only be provided after the woman stays for 48 hours post delivery to facilitate checking of important vital parameters of the mothers and baby and to take timely action in case of any emergency.

November 2012

MEMORANDUM

Subject: - Range of services for delivery points.

Under implementation framework for conditionalities and incentives detailed in Records of Proceedings (ROP): 2012-13 of the National Programme Coordination Committee (NPCC) meeting held by the Ministry of Health & Family Welfare, Government of India, it has been decided to specify range of services required to be delivered at public health facilities which have been categorized as delivery points in RCH context. As a part of fulfillment for facility wise performance audit and taking corrective action based thereon, range of services has been accordingly specified and enclosed at **Annexure-I** for reference and guidance.

2. Compliance to the range of services as has been determined in State's context is essential to ensure incentivization upto 2½% of MFP (Mission Flexi pool) under National Rural Health Mission (NRHM). Non-compliance of the same would lead to reduction upto 2½% of MFP. All concerned are, therefore, requested to ensure delivering the specified range of services especially at the identified delivery points to improve performance in maternal and neo-natal health (MNH), IPD, OPD and other service.
