No.F.1(2)-DHS/GS/18(Vol-1)

Dated, Agartala, the 21/06/2019

M E M O

As per JSSK Guideline, Hospitals should provide Cash-less services to the mother and child. But it is observed that Ayas and Special Nurses are engaged by the patient party and paying fees for care of the patient, resulting in out of pocket expenditure which is defeating the guideline.

In view of the above, it is decided that the following action should be taken by all concerned.

- (1) Make common people aware about cashless benefit of JSSK and encourage them not to engage Ayas / Special Nurses if they are eligible to avail JSSK benefit.
- (2) Effort should be taken by the department to increase the number of Nursing Staffs adequately and as per IPHS/INC norm specially for Maternity and Child wards. So that, people will not be required to engaged Ayas / Special Nurses.

This is issued with kind approval of the Government of Tripura, Health & F.W. Deptt. Vide U.O. No.870/Secy(HFW) dated, 31-05-2019.
