NOTIFICATION

In the interest of Public Service all the District TB Officers (DTO) of all the Districts in Tripura under RNTCP are hereby designated as District AIDS Control Officer (DACO) with immediate effect. The DTOs under RNTCP will act as nodal point for HIV programme to reduce the burden of HIV and TB in their respective districts. The responsibilities of DTO/DACOs are defined as follows:-

- Overall in-charge for HIV/AIDS in the district and responsible for District AIDS Prevention and Control Unit (DAPCU) (wherever present) and its function.
- She/he will be facilitating the implementation of the district level strategy for prevention and control of HIV/AIDS in the district under the supervision and guidance from chairperson of the Districts AIDS prevention and Control Committees (DAPCC) in DAPCU districts and District Coordination Committee (DCC) in non- DAPCU districts.
- Development of Annual Action Plan and provide inputs into the programme Implementation Plan (PIP) on convergence.
- Ensure the continuity of the supply chain, service delivery and implementation of directions of Tripura State AIDS Control Society (TSACS).
- Regularly report to district collector on the dash board indicators, submit DAPCU monthly report (wherever applicable) to PD-TSACS on physical, financial, epidemiological progress of the programme including spatial maps in the district.
- DTO may ensure HIV viral load test may be performed on CBNAAT machines under RNTCP, in select districts of states wherever spare capacity over and above the TB tests performed is available.
- Coordinate for condom promotion and district specific service demand generation campaigns with the support of the district health and other line department machinery along with programme partners/components.
- Undertake field visits to peripheral units. Other duties assigned by RNTCP and NACP authorities.
