**MEMORANDUM**

The Rashtriya Bal Swasthya Karyakram (RBSK) is a screening cum intervention programme under National Health Mission, Tripura which targeted the children covering 0-18 years age identifying birth defects at Awanwari Centers (AWCs) and Schools. Hence, NHM Tripura has made following decisions to further strengthening RBSK programme in State:-

1. The RBSK teams will move in their respective areas for screening of children of AWC and schools from PHC/CHC/SDH/DH. No team will be posted at any district O/o. the Chief Medical Officer.
2. The working hours for RBSK teams is scheduled from 08.00 am to 3.30 pm. (Lunch 12.00 am to 12.30 am) because working hours of AWC is 7.00 am. to 1.00 pm.
3. The biometrics attendance is to be started for all teams and it will be monitored from O/o. the MD-NHM Tripura.
4. Teams will upload daily visit photographs to RBSK Whatsapp group on daily basis.
5. Teams will report regularly on daily basis to the RBSK official Whatsapp group in the attached reporting format before 05 pm. everyday. And the monthly report of the same has to be sent to [rbsk.tripura@gmail.com](mailto:rbsk.tripura@gmail.com) with all supporting scanned copy of RBSK screening register / soft copy in excel sheet with all details of found positive patients by every last working day of a month.
6. The RBSK teams will send their one month advance visit schedule to [rbsk.tripura@gmail.com](mailto:rbsk.tripura@gmail.com) in order to upload in the NHM Tripura web portal. The schedule will be announced in all ASHA Varosha Divas by ASHA Nodal Officer of PHC/CHC in advance to ensure community mobilization.
7. The teams will visit two AWC on daily basis for next one month w. e. f. 10/11/2017 to 10/12/2017. After that each team will visit 01 AWC and 01 School daily.
8. One day block level RBSK screening and intervention programme of birth defected children (1. Neural tube defects, 2. Down's Syndrome, 3. Cleft lip/palate, 4. Club foot, 5. Development dysplasia of the hip, 6. Congenital cataract, 7. Congenital deafness, 8. Congenital heart diseases, 9. Retinopathy of Prematurity) will be conducted at (PHC/CHC/SDH/DH) facilities of RBSK team posting places within next 15 days, involving local population and PRI members.

This will take with immediate effect.
