The Health & Family Welfare Department, Govt. of Tripura has decided to rename the YUVA-YUVATI Clinic as AROGYA NIKETAN (আরোগ্য নিকেতন) to avoid the observed taboo related to the name YUVA-YUVATI Clinic, to attract more adolescents in the clinic, which will ultimately help to solve various problems faced by adolescents like- behaviuoral, psychological, drug abuse, menstrual problem, adolescent pregnancy, early marriage, genderbased violence (GBV), HIV related problems etc. In the long run it will help to sustain low Infant Mortality Rate (IMR) & Maternal Mortality Ratio (MMR) of the state.

CMOs, SDOs, MO I/Cs shall arrange to display of board re-branded clinic along with logo of National Health Mission & RKS.
